

## 2008 CONTRIBUTION

PHANYC has ambitious plans for 2009 and asks that you consider making a contribution, above your membership dues, to help us continue to meet your professional interests and needs, protect threats against public health and advocate for critical public health topics that are so important to New York City and ensure the ongoing functioning of the organization.

Our achievements in 2008 were made possible with the dues and support of our membership, and the participation and hard work of our members and we are extremely grateful for your dedication and commitment.

In 2009, PHANYC is excited to implement its recently develop strategic plan for strengthening our programs, advocacy and member services. At the same time, however, PHANYC faces increasing expenses and declining external support, like other small non-profits. Your contributions now can make the difference between PHANYC remaining an important voice during these times or being forced to down-size our organization and efforts.

We hope that we can count on your tax-deductible contributions to PHANYC, a 501©(3), this year, above your membership dues by: sending a check, faxing your credit card information or making an online contribution, in any of these categories:
